TSA NEWS

The most important news for this month is the annual meeting held at the TJSA State Preview show on Saturday, May 29, 2021. This was an especially important meeting because of the lack of meetings for the past 2 years due to Covid restrictions! There was a really nice attendance of TSA members, so we were able to get some business accomplished. The BOD had made a motion to change the Bylaws of Article VI & VII which established the fiscal year and when yearly dues are paid. It was decided that having all yearly dues for TJSA, TSA and Lassies to be paid at the same time every year might be easier for people to remember. The fiscal year for the Juniors and Lassies is January 1st. It was voted by the members at the annual meeting to change the Bylaws to reflect the fiscal year for TSA to be January 1 - December 31 and membership dues are to be paid in January.

FOR THIS YEAR IN JULY 2021, DUES WILL BE \$25 FOR THE REMAINDER OF THE YEAR, THEN IN JANUARY, 2022 TO START THE NEW YEAR, DUES WILL BE \$50 FOR THE WHOLE YEAR.

It was decided this way so that the association will not lose too much revenue & have decreased capacity to give scholarships and premiums for the future major Shorthorn shows.

We had election of officers! Marc Laughery will be our new president and we added 3 new members to the Board of Directors, Jeannene Xanthus, Tony Brooks and Kyle

Lewis will be finishing Marc's term. Every year we add a few new members to the board so if anyone is interested, please, speak up and let your desire to serve on the board be known.

Another important function of our annual meeting is to sell pages in the directory for individuals to advertise their cattle operations. This year the most desired pages in the directory went for \$1400 & \$1500! Because the sale of ads is the biggest fundraiser for the association, a BIG THANKS to not only these two individuals but to ALL of those who bought an ad. There are still several pages left to purchase for a minimum of \$350 for a full page, so if you are interested, contact Linda Scott. She sends the outlay of the directory to the ASA in late July for printing and to get it ready to be added to the website, so, please, get your ad to her no later than July 15. After she gets all the ads, she must put them in the correct order to be printed. This can be a very tedious task especially when ads trickle in late.

Another task of the annual meeting is the recognition of a Progressive and Pioneer Breeder in the association who are nominated and voted on by the BOD. The Progressive Breeder is a usually an "up & coming" breeder who is just starting to take off to have their cattle be shown. The Pioneer Breeder is one who has "been around for a while" and has advanced the breed and contributed to the association. This year the BOD chose Shelly & Andrew Spearman as the Progressive Breeder and Paula & Jim Archer as the Pioneer Breeder. Congratulations to both for their hard work and association with the Shorthorn breed.

Shorthorn Lassies

The Lassies had their first meeting of the year after the annual TSA meeting with a huge attendance! It was reported there were currently 22 members who have paid their dues.

There was a discussion about the \$500 that had been given to us by the Tennessee Lassie organization with the idea to “pass it on” every year to the Lassie organization of the sponsoring state for Jr. Nationals. It was unanimously agreed upon to give Kentucky a check for \$500 to keep the tradition going forward.

New information of an old business was that “The Quilt” is going to be completed to be sold at the WHR 2022 sale, big or small! The good news is you can still purchase a “square” to be included in the quilt up until the Texas State Fair in October. Whatever is sold by then will go into the making of the quilt. Contact Shelly Spearman or Jeannene Xanthus for the “square” to put your ranch info on or whatever you want to advertise.

Tracey Laughery announced the new royal lineup for the 2021-2022 season.

Amanda Smee will be the Lassie Queen, Madison Ellis & Emilee Munchrath are the new Lassie Princesses to join Savannah Rabe & Elle Spearman.

Exciting news was that our Lassie Queen, Harley Shelton, has decided to run for National Lassie Queen! The whole Lassie membership is pulling for her to be chosen! Congratulations Harley and The Very Best of LUCK!

Election of officers was accomplished with Tracey Laughery moving into the president position, Dala Smee will be the new vice president, Jeannene Xanthus will remain Secretary, Linda Scott will continue as treasurer, and the reporter will be Shelly Spearman. The new Directors will be Lori Rabe and Barbara Russell who are added to Meredith DeBorde and Mary Bass.

TJSA News

The Texas Junior Shorthorn Assoc. State Preview Show was this past weekend and was a great success according to everyone I talked to at the show!

The most important and revered part of the whole show was the dedication of the 2021 Jacob Hines Memorial Showmanship Show. The awards for the showmanship were sponsored by LSA Shorthorns – The Laughery Family giving the Champion buckles and Spearman Shorthorns – The Spearman Family giving the Reserve Champion show stick plates.

The contests were well represented, and the different cattle shows were well attended. There were so many beautiful heifers, quite a few steers, and a few bulls shown.

The juniors had their first meeting of the year as well. The most important item was the election of their 2021-2022 officers too. President – Amanda Smee, Vice President – Makensie Laughery, Secretary – Caleb Hines, Treasurer – Quinn Rasor, Reporter – Ellee Spearman, Directors: Senior – Ethan Spearman, Jaxson Dilliard, Caitlyn Rasor, Emilee Munchrath, Kendal Cleere, Makenlee Evans, Junior – Morgan Brooks, Cooper Laughery, Kanin Cleere. Congratulations to all newly elected officers and good luck for a fun and prosperous year!

The weekend seemed to be a great success with all the different meetings coming together and decisions made for the ensuing year.

It appeared that everyone who is going to Junior Nationals is ready for the experience and fun!

Everyone have a safe trip to Kentucky!

See y'all there!

As always, if there are any mistakes or omissions, please let me know!

Respectively Submitted,

Barbara Russell
