

OCTOBER 2021

NEWSLETTER

The 150th anniversary of the American Shorthorn Association

was celebrated during the weekend of the American Royal Livestock Show. The association hosted a social at the headquarters on Friday after the Shorthorn Show and it was well attended by ASA members. There was an open bar and great snacks for all to enjoy! The ASA commissioned a long-term member to research for a 150th commemorative book which sold for \$60 and a set of 2 glasses which have 150 years of ASA etched on them for \$50. The annual meeting was held the next day at the host hotel.

TSA members who attended the annual meeting were Bill Rasor, JO & Mary Bass, WB & Lori Maples, Peter & Jeannene Xanthus and John & Barb Russell. Rebecca Bates attended the awards banquet too.

One of the highlights of the annual meeting was a panel of 8 men who came from families that had been involved in raising Shorthorn cattle for centuries. Our own Bill Rasor was one of the

panelists! Their stories and reminiscing of years past was truly inspiring to hear! The audience was allowed to ask questions after each had spoken. There were some interesting questions about which direction the panel thought the breed was going. We also broke into groups of seven for a Shorthorn trivia game with prizes awarded to the ones answering correctly, the most questions. It was fun and educational as well!

Dr. James & Beverly Freed, former members of TSA, and their family were honored at the 2021 American Royal for their many years associated with the Shorthorn Breed.

The last TSA BOD meeting was held on Friday, Oct. 15, 2021 @ the State Fair of Texas after the open Shorthorn show. It was attended by about 15 people in all, only about 7 board members. Linda Scott announced the need for a new “steer sifter” at San Antonio. Ryan Holaway from Harlan Cattle Co., who was in attendance, offered to take on the job and was accepted. Ryan also made an announcement that there was a FaceBook page made up of Oklahoma & Texas small Shorthorn breeders selling their heifers and steers. He gave the invitation for anyone to join the page. It’s the “Texas/Oklahoma Shorthorn Breeders” page and anyone can join. There are around 185 followers now and looking to expand. Small time Shorthorn breeders are using the site to sell their cattle! Take a look!

Mary Bass was approached by 2 Shorthorn owners in Gainsville, Texas asking to recreate the TSA Shorthorn physical sale. There was much discussion of pros & cons from previous experiences

with the attempt to have a sale. The discussion was tabled for Mary to get more information from the men who were proponents of the idea and bring an update to the January meeting. Hopefully there will be a quorum of BOD & officers to vote on the issue whether to investigate further or nix the idea.

Discussion was initiated about possibly changing the time when the directory would be printed, however, after discussion, it was decided to leave the dates the way they are currently.

The judges for FWSS were announced with Scott Bush judging the junior Shorthorn show on January 22, 2022 @ 8am and Ryan Moore judging the open show on Sunday, January 30, 2022 @ 2pm.

HLS&R credentials are available and several people have already asked to receive some. As soon as they become available, I will make an announcement in the newsletter as to how many ground passes are left so stay tuned.

Shelly Spearman gave a short report of TJSA happenings. She announced that there had been really good representation of the National Lassie Queen & our Texas Lassie Queen & Princesses at the State Fair of Texas. She also reported that at several Texas shows, she had noticed how many non-TJSA exhibitors were showing and came up with a plan to encourage more young people to join the TJSA. More of her ideas in the TJSA section!

The next meeting will be held in Ft. Worth on Saturday, January 29, 2022 @ 2pm, location TBA.

LASSIE SPOT

Shorthorn Lassies

The Lassie quilt is being made by Jeanenne Xanthus so if there are any last-minute additions call her directly and she might be able to add you to the finished product.

There is also a request from Lassie Officers & BOD that, if anyone has anything to donate for the silent auction, please notify a member so they will know what to expect for the auction. These items will be on display at the TSA /Lassie area during the FWSS Open SH show. They will host a social on Saturday night, January 29, 2022 @ 5pm with wine to share! During that time the auction items are there to be bid on and, at the end of that day, will be ready to be picked up from the winner of the highest bid! All donations will be greatly appreciated and benefit the Lassie endeavors for the year!

There is usually coffee and pastries to share with exhibitors, family, and visitors to the TSA display during the show period. Come by and have a cup of coffee and a sweet!

TJSA ARENA

Shelly has come up with the idea to give all Shorthorn exhibitors at FWSS Junior show, when they check in, a “goody bag” with a directory and misc. stuff in it. If anyone has anything they might want to donate as a treat for the kids in the bag, let Shelly know so both parties can make arrangements to have it included.

Maybe this will get the attention of those young ones showing who have not participated in TJSA and capture their interest. The 2022 Texas Junior Preview show will be held at the Taylor County Exposition Center in Abilene on Memorial Holiday weekend, May 27-30, 2022. Those interested in going to Junior Nationals will have the opportunity to have their projects and speeches judged and evaluated prior to going to JN. Anyone can show whether going or not.

Junior Nationals will be held in Kansas City, Mo. at the American Royal Complex so mark your calendars. It’s a lot closer than Louisville! The past three years I’ve attended was so much fun! Texas families get together, enjoy fellowship, help each other with the work and play games! It is so worth the experience of going at least once! Anyone interested going who has never been feel free to contact me for questions or any help.

OCTOBER 2021 SHORTHORN SHOWS

Heart of Texas – Waco – 10/3/21 Lists exhibitor, class placing & FFA/4-H Shorthorn Scholarship
