

NOVEMBER 2022

NEWSLETTER

Hope everyone had a wonderful Thanksgiving holiday filled with family and friends. I was blessed to have my grandchildren for the weekend filled with lots of hugs & kisses and total exhaustion!

TSA News

TSA dues are going to be due in January! They can be sent to Linda Scott at 401 Billy Creek Circle, Hurst, TX. 76053.

If you plan to come to the next meeting in Ft Worth you can pay them then unless your child is showing at the Ft. Worth Junior show, because, if your child wins the junior show at Ft. Worth and you haven't sent in the dues yet, they won't be eligible for the \$1200 TSA scholarship as the meeting is after the junior show!

Next TSA Meeting:

Will be held at the Ft. Worth Open Shorthorn Show on January 28, 2023 starting at 2:30 in the MacFarland Room immediately following the Lassie meeting. The room is in the Wyatt Arena on the second floor to the right of the snack bar. There is always a sign posted out front of the

ASA Annual Meeting:

We had a great Texas turnout for the meeting on Saturday, November 19th. We had 4 voting delegates present Lori & WB Maples, Tracey and Marc Laughery, Mary Bass and John and Barbara Russell.

The ASA closed out the 150th Anniversary year and introduced the ASA strategic plan which will be implemented over the next few years.

In case you haven't heard, there will be a slight increase in fees (effective on January 1, 2023) charged at the association for services rendered from Digital beef, WHR and membership fees. These are listed on the website if interested. Unfortunately, the results of Covid and inflation has caused these increases.

TSA Website

The new TSA 2022-2023 Directory has been downloaded on the website, and the current officers & board are updated on the site. Once again, Cultivate will manage it for the first year and then the "association representatives" will be able to make changes. Victoria Osburn and Jerrime Ramirez will be managing the site. If anyone has any questions or would like something to be featured on the website please contact the admin of the site, Victoria Osburn @ voshorthorns@gmail.com or Jerrime Ramirez @ legacylivestocktx@gmail.com.

TSA Fundraiser

The TSA fundraiser has been worn down to 2 online sites that Jerrime is deciding on. He will have the information finalized by the next meeting and give a recommendation. He is looking at the week of the State Fair of Texas 2023 for the auction to be held. TSA is asking for donations to be featured on the sale site so, please, help us come up with enough items

to make a sale profitable for the organization! You have almost a year to donate something so put your thinking caps on.

TSA Cattle Sale

It was discussed & voted on at the meeting to plan another online sale for TSA. Eric and Meredith DeBorde made plans to have an online futurity heifer sale. If interested, contact Eric DeBorde at 214-537-9963 for more information or how to consign to sale.

Shorthorn Lassies

LASSIE NEWS

The next Lassie meeting will be held at the Ft. Worth Open Shorthorn Show on January 28, 2023 from 1- 2 pm in the MacFarland Room which is located in the Wyatt Arena on the second floor to the right of the snack bar. All women are welcome so please come and see what this part of our association is all about!

Lassies are in need of silent auction donations for the Ft. Worth Open Shorthorn show! This will be an ongoing request

until the show in January so, please, look for any item that might be desirable to another person! The more items we have to auction off the more money the Lassies are able to give to the juniors! All items are tax deductible, and **you can name the price of your donation item!**

The Lassies host this silent auction every year during a Lassie Social Event on Saturday evening, January 28 at 5pm during the Ft. Worth Open Shorthorn Show. They will offer “adult” beverages and sodas for the youngsters and snacks! The silent auction has become a popular event for our organization at Ft. Worth! I have always found great items to bid on! I’ve been in a few “bidding wars” over the years! People donate great homemade items, old items, jewelry, pictures, and even services of some kind. **Anything is appreciated!** The auction will end at 6:30 so you can stick around and take your treasures with you while you enjoy refreshments with the TSA crowd!

Contact Shelly Spearman or Tracey Laughery if you have donations and they will tell you where to send them or you can bring to our next meeting in January because the auction will be held after the meetings are over. As I said before, all donations will be greatly appreciated and tax deductible!

Along with the silent auction a 50/50 raffle will be going on. This is a raffle where you buy raffle tickets and after all the money is collected, any person who bought a raffle ticket will be in the drawing to win half of the money collected. The other half goes to the Lassies or whoever they have donated it to.

TEXAS
JUNIOR
SHORTHORN
ASSOCIATION

The next TJSA meeting will take place during the Ft. Worth Junior Show on January 20, 2023 at 4:30 pm.

This is probably the most important meeting of the year because the year's activities are decided and voted on by the juniors. It is also a great time to meet other juniors if you are new to the association. If you aspire to become an officer or board member, this is a way to become noticed and a team player! After all your fellow juniors nominate and vote on who is given the positions so the more you become a member of the team, the more likely you will be chosen!

The request for donations for the Ft. Worth Junior Shorthorn Show in January was a fantastic success! Thanks to all our "Texas Shorthorn Family" and their generous outpouring of money, the junior advisors were able to get all the division winners the prizes they were hoping for!

Texas Jr. Shorthorn Preview Show

Once again, giving everyone a “heads up” about the state preview show so you can mark your calendars!

Texas Jr Shorthorn Preview Show is Memorial Day Weekend May 27-29, 2023 at South Plains Fairgrounds in Lubbock, Texas.

The schedule is in the planning stage but will be changed this year to be a Saturday to Monday schedule because of interference with graduations in the past years. Watch for information to be given on the TJSA Facebook page or in this newsletter after the first of the year.

NORTH AMERICAN INTERNATIONAL LIVESTOCK EXPOSITION

Every year the American Junior Shorthorn Assn. has a fundraiser benefitting the Shorthorn Youth Development Fund and the National Junior Shorthorn Show & Youth Conference. This year they made over \$40,000 and auctioned off some different items.
