TEXAS SHORTHORN ASSOCIATION

Progressive Breeder Awards

GREG PRIDDY

The Texas Shorthorn Association honored Greg Priddy with the 2023 Progressive Breeder Awards. Greg and his wife Sally Priddy own and operate G & S Shorthorns in Desdemona, Texas. They have two children; Sheridan Priddy Conner (Andrew Conner) and Everett Priddy (fiance Christina Karrington).

Greg and Sally are members of the First United Methodist Church in DeLeon. Sally is on the nominating committee and Greg is on the Board of Trustees at the church. Sally is also on the board at the Desdemona Activity Center which hosts several community events throughout the year.

Although Greg's family has been involved in the Shorthorn industry since 1919, G&S Shorthorns was officially started in 2007 with Sheridan's show heifer, T Bar T Miss Bell. Currently, G&S Shorthorns are using herd sires purchased from various breeders in the United States, such as DTR Buzz, JSF Saudie's Finest, WHR Ambassador, and WHR HCAT Cecil. G&S Shorthorns is planning on getting more involved with Aling and embryo transfer in the future to help carry on the shorthorn legacy in the family.

Greg is currently on the Board of Directors for Texas Shorthorn Association. Congratulations to Greg on this award!

CURT CASH

The Texas Shorthorn Association also honored Curt Cash with the 2023 Progressive Breeder Awards. Curt and his wife Tamra own and operate Cash Farms in Amarillo, Texas. They have three children; Amber Carlisle, Andrew & Helen Cash, and Alex & Jobie Cash.

Curt taught school for 30 years now is a manager of a local owned feed store in north Amarillo he was a youth pastor for 7 years serves as a superintendent for Dairy Goats at both the state fair of Oklahoma and the Amarillo Tri State Fair since 1992.

Curt helps with our local county show has leased heifers to 4-H and FFA members to show and promote the breed. Helps with the Tri State Shorthorn Show we show on all levels from county regional state and National levels.

Curt bought his first heifer from JO and Mary Bass in 1981. From there, we bought four bred cows from the Bill Scott Family in Kansas and purchased our first bull from the Five State Shorthorn Sale in Guymon Oklahoma from there we have bought heifers from WHR Shorthorns and Dean Fieser as well as Crow Creek Farms. We have a herd of 20-25 and hope to produce show calves.

Congratulations to Curt for receiving this award.
